

Applying ThinAppS License Keys

Sign in as QSECOFR for all steps listed below

Step 1: Install ThinAppS

Step 2: Check for the ISE supplied ThinAppS Product Definition

WRKOBJ OBJ(QGPL/THINAPPS) OBJTYPE(*PRDDFN)

If not found, restore it from the save file and grant object authority:

RSTOBJ OBJ(THINAPPS) SAVLIB(QGPL) DEV(*SAVF)
OBJTYPE(*PRDDFN) SAVF(QGPL/THINAPP)
RSTLIB(QGPL)
GRTOBJAUT OBJ(QGPL/THINAPPS) OBJTYPE(*PRDDFN)
USER(*PUBLIC) AUT(*ALL)

Step 3: Check for the ISE supplied Product definition message file

WRKOBJ OBJ(QGPL/ISEPRDMSGF) OBJTYPE(*MSGF)

If not found, restore it from the save file and grant object authority:

RSTOBJ OBJ(ISEPRDMSGF) SAVLIB(QGPL) DEV(*SAVF)
OBJTYPE(*MSGF) SAVF(QGPL/THINAPP)
RSTLIB(QGPL)
GRTOBJAUT OBJ(QGPL/ISEPRDMSGF) OBJTYPE(*MSGF)
USER(*PUBLIC) AUT(*ALL)

If found, restore it from the save file to QTEMP and merge the message files:

RSTOBJ OBJ(ISEPRDMSGF) SAVLIB(QGPL) DEV(*SAVF)
OBJTYPE(*MSGF) SAVF(QGPL/THINAPP)
RSTLIB(QTEMP)
MRGMSGF FROMMSGF(QTEMP/ISEPRDMSGF)
TOMSGF(QGPL/ISEPRDMSGF)
DLTMSGF MSGF(QTEMP/ISEPRDMSGF)

Step 4: Add license key information

Print a copy of the xxxxxxxy.txt document you received via e-mail. The xxxxxxxx is your AS/400 serial number and the y is the code for the software product the key is for.

Enter the following command to get the 'Work with Licenses' screen:

WRKLICINF (F4 – prompt)
Product identifier 1THINAP
Output *
 _

Applying ThinAppS license key(s) continued

Select Option 1 – ‘Add license key’ for the appropriate product(s):

Product	License Term	Feature	Description
1THINAP	V2R7M0	5105	ThinAppS

From the ‘Add License Information’ screen:

Enter the information from the xxxxxxxy.txt document for the following fields and press Enter

License Key:

Characters 1 – 6 _____

Characters 7 – 12 _____

Characters 13 – 18 _____

Usage Limit: _____

Expiration Date: _____

You should receive a message confirming “1 license key information records added to repository.”

Please contact ISEs help desk at help.desk@ise-erp.com or 888-473-0800 if you have any questions.
